Light and Darkness Collide

-Circus--Translations-

Yamato Nadeshiko Shichi Henge ♡

Beautiful Ones (?!)

In a lodging managed by an Oba-san, four handsome boys live together. Loneliness is their number one enemy, but they love their dark moods very much.

"If you turn Sunako-chan into a lady, you'll get to live rent free for three years," Oba-chan said that. The four boys grew very enthusiastic. However, dazzling creatures are Sunako-chan's natural enemies. So they are in BIG trouble!! On top of that, thanks to a boy who called Sunako-chan "ugly," she is terrified to go outside successfully. Can her previously broken heart be mended? Can the boys ever turn her into an elegant lady?

Takano Kyouhei is the strongest fighter; a "selfish" man.
Oda Takenaga is the kind-hearted gentleman.
Morii Ranmaru womanizing veteran of love.
Toyama Yukinojou is cheerful and meek; the housemates' inspiration.
Nakahara Sunako

Behind the Scenes

Between the last installment and this one, a party for the ending of the anime was held.
My thoughts were, like, "Whoa! So many people worked on this anime!"
They were really warm to me, and I had only visited once after the actual recording scene.♡
The voice actors -all of them- were really nice to me.♡The lead actresses were cute and giggled a lot.
The boys were also really nice and funny. ♡♡♡
With a good voice, they were saying funny things. So nice!♡
Really, they were all such good people. ♡♡♡
Kyouhei's actor, Morikubo-san is very attentive, and I felt really comfortable with him.

Thanks a lot for everything They are such good people!! ♡♡♡
My assistant Chobi-san is a big fan of Morikubo-san and was love-struck all day.

SFX: RUSTLE RUSTLE

Ah!

Let's go back.

Come on; hold onto me ...

SFX: YONK

I-I'm okay ...

It's not the time to be shy ...

I'm not being shy ...

You may not be scared of this place, but ...

... it is dangerous, and you've already injured yourself.

Ah ...

Err ...

But ...

You know ...

That's it. Even though I think that being humble is a good thing ...

... being stubborn isn't cute at all.

I ...

I'M SO SOR-RY!!

I JUST LOST MY TEMPER FOR A MOMENT!

Ah ...

SFX: HANK

Wai- ...

Being able to hold your hand like this...

...is almost too much happiness for me to bear...

SFX: BOOM

Wouldn't it be better to watch from there?

The fire-works ...

It doesn't matter but isn't it pretty enough already, Yuki?

The real thing! ♡

SFX: BOOM

You've got a bit of dirt on your face ...

Sorry, Ran-maru ...

It would have been better if we'd arrived a little later, right?

Nah ... I wouldn't want to see 'em in the middle of it ...

In the middle of ...?

BLUSH!

!!!!!!

It was no-nothing !!

Let's go back, already !!

"Mor-ons", he says ...

The joke was on him.

SFX DEVILISH LAUGHTER

I'll go look for some medicinal herbs

Huh? You got hurt?!

Is it serious ?!

Ah, I'm fine, really ...

It ... it's okay, err ...

Are you still saying that?

SFX: HEE HEE HEE HEE

The herb

My heart feels like it's about to stop at any time ...

My ...

Ah, the mood was ruined ...

I ... I am truly sorry ...

Yaoi Hade Vol 9 Ch 78 Translation Notes

Page 139

Akebi Soft: "Akebi": The akebi is the purple fruit of a wild akebia vine that grows on Honshu and Kyushu. It feels soft to the touch. \Its shape is roughly that of what you'd get if you tried to smash an apple into a banana-shape but gave up about halfway. The part you want to eat is the sweet whitish inside, although I've read that the purple skin and black seeds are also edible. (www.nihonhacks.com). "Soft" indicates "soft cream"; in other words, ice cream.
